Ref: SEC/Turkayamjal Municipality/ 6478 /2024-25.

Date: 13/03/2025

To,

The Municipal Commissioner,

Turkayamjal Municipality,

Ranga Reddy District.

Sir,

Sub: Municipal Works-3rd Party QA/QC- Submission of Building Safety Certificate-
Regarding.

Ref:- Lr.Roc.No:TKJL/E1/2024-25, Dated:10-03-2025.

Building Safety Certificate

This is to certify that the St Joseph's High School at Kammaguda, Turkayamjal, RR District, has been inspected by me in the presence of Sri. B. Bixapathi (Dy.EE) & Sri. Y. Chnadra Shekar Reddy (AE) of Turkayamjal Municipality and verified that the building has constructed as per the Indian Standard codes practice.

Thus the structural soundness of the existing building is good and safe and the above building can safely be used for 2 years for school in all type of general conditions except natural disaster like earthquakes etc.

Please take the approvals of concerned government authorities for further extensions of existing building.

Thanking you

Yours faithfully

For Spectrum Engineering Consultancy
